### Description:

Prince Residence is situated in the heart of Bucharest town, with quiet, elegant surroundings and a unique view of the Romanian Patriarchy gardens.

Our apartments are all furnished with contemporary Italian furniture which is both attractive and functional. The floors are finished in beautiful timber from the finest Italian factories and the whole effect is set off with subtle lighting and tasteful soft furnishings.

A number of the apartments come with a spacious terrace and view of the Patriarchy gardens, which are considered to be the Vatican City of the Orthodox world.
